## CLASSROOM STRUCTURE AND TIME

### ROOM 112 - Screening Employees for Lung Cancer - Who Should Be Screened and Why

Presenter - Dr. Richard McNeilly, Pulmonologist, MSMG

With one in four cancer deaths attributed to lung cancer, early detection is crucial. 25% of patients diagnosed with lung cancer have NO symptoms. Dr. McNeilly will cover the exposure risks and technology available for early diagnosis and treatment.

**Room 112 - Time:** 8:15 to 9:15 and 9:30 to 10:30

### ROOM 112 and ROOM 224 - Off-Road Vehicle/ATV Safety

Presenter - Chris Seay, TWRA

With a growing trend in off-road activities, this session will present basic safety measures that will enhance safe operations of off-road vehicles.

**Room 112 - Time:** 9:30 to 10:30

**Room 224 - Time:** 12:45 to 1:45

### ROOM 112 - Immaturity for Life: Substance Abuse and the Teenage Brain

Presenter - Alice McCaffrey and Melony Ison, SCADC

Let's look at the stages of brain development, especially during adolescence, and see how certain substances affect development and create lifelong problems. See how adults must act as the "prefrontal cortex" for the teens they love.

**Time:** 12:45 to 1:45 and 2:00 to 3:00

### ROOM 213 and ROOM 224 - Stop the Bleed! Campaign: Building Resiliency In Our Communities

Presenter - Carol Jones, HVMC Trauma Services

Life-threatening bleeding warrants immediate intervention and anyone can learn to save a life when minutes count. The national 'Stop the Bleed' campaign aims to teach those basic skills in multiple scenarios.

**Room 213 - Time:** 8:15 to 9:15

**Room 224 - Time:** 2:00 to 3:00

### ROOM 213 - Is It Safe To Go Outside?

Presenter - Bruce Cole, Natural Resources Manager, HSAAP

Let's examine leading causes of accidents in popular outdoor activities such as hunting, boating, biking, hiking, etc., and discuss how to reduce risks of injury. Other potential hazards, such as poisonous plants, insects, snakes, bears, etc. will be discussed.

**Time:** 9:30 to 10:30 and 10:45 to 11:45

### ROOM 213 - Be Prepared for Severe Weather Emergencies

Presenter - Jim Bean, Director, Sullivan County EMA

You can prepare yourself and your family for such emergencies. This not only reduces fear and anxiety that accompanies a disaster, but also helps reduce the impact of the incident.

**Time:** 12:45 to 1:45 and 2:00 to 3:00

### ROOM 214 - Current Trends in Industrial Fall Protection

Presenter - Fritz Christ

Selecting the correct MSA equipment and anchor points are critical components of a fall protection program. We will review the latest development of equipment in meeting updated requirements.

**Time:** 8:15 to 9:15 and 9:30 to 10:30

### ROOM 214 and ROOM 225 - Traffic Crashes: Causes, Effects, and Investigations

Presenters - Kingsport Traffic Division

Join the Kingsport Police Department's Traffic Unit as we discuss some of the common causes of accidents. We will review effective counter-measures to avoid becoming involved in a collision.

**Room 214 - Time:** 10:45 to 11:45

**Room 225 - Time:** 12:45 to 1:45

### ROOM 214 - Protecting What You Value Most: Fire Safety In the Home

Presenter - Barry Brickey, Public Education Officer, KFD

Safety, Safety, Safety...We hear it every day on the job. When we leave for home, does our safety mind-set go with us? Explore fire and life safety at home to help keep you and your family safe.

**Time:** 12:45 to 1:45 and 2:00 to 3:00

### ROOM 219 - A Historical Review of the Kingsport Police Department

Presenter - Tom Patton, KPD Public Information Officer

As KPD celebrates its centennial anniversary of protecting and serving the citizens of Kingsport, Officer Patton will provide an overview of its rich history, as well as current capabilities.

**Room 219 - Time:** 8:15 to 9:15 and 9:30 to 10:30

### ROOM 219 and Room Room 225 - An Overview of Domestic and International Terrorism

Presenter - Brian O'Hare, FBI

With a perceived increase in threats, learn to better recognize the presence of homeland terrorist activity, related weapons, and how to assess medical signs/symptoms of exposure. Hear an overview in the historical and modern contexts to include chemical, biological, radiological, nuclear and explosive weapons and dispersion agents.

**Room 219: Time:** 10:45 to 11:45

**Room 225: Time:** 8:15 to 9:15

### ROOM 219 - Active Shooters: How to Respond if You Are There

Presenter - Tony Armstrong, BAE Systems Security Manager, HSAAP

Using graphic illustrations of actual active shooter events, Tony will explore the reality of this plague and what you can do to be prepared. There are proactive measures being implemented that may surprise you.

**Time:** 12:45 to 1:45 and 2:00 to 3:00

### ROOM 221 and ROOM 224 - Maintaining Focus When Disaster Strikes: Employee Personal Preparedness

Presenter - Carolyn Doerfert, American Red Cross

Help your employees be able to maintain their focus during disasters. Provide them the tools to feel confident their families know what to do in case of disaster while they are at work.

**Room 221 - Time:** 8:15 to 9:15

**Room 224 - Time:** 10:45 to 11:45

### ROOM 221 - "Hi, I'm Stress! I'm Moving In!" Greet and Manage Your Stress Style

Presenter - LaDonna Carey, MA, SPE

Stress doesn't want to go away, so learn how to just visit without letting it move in! Get to know your personal Stress Style and learn day-to-day coping strategies to help improve your physical and mental health.

**Time:** 9:30 to 10:30 and 10:45 to 11:45

### ROOM 221 - Mental Health In Your Community: How Many Tragedies Will It Take?

Presenter - Dr. Ronald Morton

We will discuss critical mental health issues, what is/isn't being done about them, and current progress in providing alternatives such as mental health first aid.

**Time:** 12:45 to 1:45 and 2:00 to 3:00

### ROOM 223 - What Happened to Me When I Confronted the Subject of Risk?

Presenter - Bob Nelms, President, Failsafe Network, Inc.

I don't want to be the kind of person that always sees the downside of things, or feels as if I must protect myself from everything, and yet it seems like that's what the "risk professionals" are suggesting.

**Time:** 8:15 to 9:15

### ROOM 223 - Let's Critique An Actual Root Cause Analysis Together

Presenter - Bob Nelms, President, Failsafe Network, Inc.

With audience participation, we'll start by looking at a YouTube video about a person who did a root cause analysis on his/her failed garbage disposal and then we'll critique it, providing fun and learning for everyone.

**Time:** 9:30 to 10:30

### ROOM 223 - Changing the Way We Are: The Unavoidable, Painful Change

Presenter - Bob Nelms, President, Failsafe Network, Inc.

When things go wrong in our lives and we try to change equipment, processes and systems, we are focusing on the wrong things. The only thing that needs to change is us, because "when people change, everything else changes."

**Time:** 10:45 to 11:45

## FRAME

### ROOM 223 - Failure-Driven Culture Change

Presenter - Bob Nelms, President, Failsafe Network, Inc.

Instead of benchmarking, or being driven by fads, shouldn't all fundamental change be driven by things that go wrong? A strong case will be made for abandoning all change initiatives that are not driven by failure.

**Time:** 12:45 to 1:45

### ROOM 223 - How to Help Understand Human Behavior, No Matter What the Behavior

Presenter - Bob Nelms, President, Failsafe Network, Inc.

Failsafe Network has been using the Situation-Filter-Outcome model to help understand human behavior ever since the Challenger Explosion led to its creation. Come learn about it and practice using it.

**Time:** 2:00 to 3:00

### ROOM 224 - Protecting Your Identity: What You Should Know and What You Should Do

Presenter - Jerry Stout, TN Dept. of Safety and Homeland Security

Identity fraud is the fastest growing crime in the world. With 12 million victims in 2013, the numbers are increasing at an alarming rate. There is money in Dumpster Diving. Have you checked your garbage lately?

**Time:** 8:15 to 9:15 and 9:30 to 10:30

### ROOM 225 - Storm Chasers: The Mini-Series

Presenter - Ricky Matthews/Dave Dierks, Meteorologists, WCYB

When it comes to severe weather, hear what we look for up to 7 days out, all the way down to what we look for on the day of, then what a watch vs warning is, etc. Learn about disaster recovery and how tornado damage is ranked on the Enhance Fujita scale.

**Time:** 8:15 to 9:15 and 10:45 to 11:45

### ROOM 225 and Auditorium - Review of The New General Industry Walking Working Surface and Fall Standard

Presenter - Josh Pietuszka, CSP, TOSHA

The new standards incorporate advances in technology, industry best practices, and national consensus standards to provide effective and cost-efficient worker protection.

**Room 225 - Time:** 2:00 to 3:00

**AUDITORIUM - Time:** 8:15 to 9:15

### AUDITORIUM - TOSHA Review of Recent Activities and Standards

Presenters - Steve Hawkins, TOSHA Administrator

Mr. Hawkins will provide information on recent activities in the State of Tennessee. He will also speak to the status of forthcoming changes in regulations, standards and procedures.

**Time:** 9:30 to 10:30 and 10:45 to 11:45

### AUDITORIUM - Hold My Matches and Watch This

Presenter - Shane Jenkins and Brian Ramsey, The Damascus Group

This presentation is fast paced and takes a dynamic look at the physical and chemical properties of flammable and combustible solids, liquids and gasses. Witness flash point, vapor density, vapor pressure, flammable range and much more!

**Time:** 12:45 to 1:45

### AUDITORIUM - Terrorism, the Explosive Device and You - We're Not in Mayberry Anymore!

Presenter - Shane Jenkins and Brian Ramsey, The Damascus Group

This awareness-level course is designed to communicate the current threat from Terrorism, an understanding of the different types of Explosive Devices, and precautions to take if confronted with either!

**Time:** 2:00 to 3:00
