

Halloween Treat Bag Give-Away at Fort Henry Mall

On Saturday, October 25, 2008, several members of the KASC as well as members of the Kingsport Fire Department distributed approximately 1,000 Halloween Treat Bags at the Fort Henry Mall. Setup began at 9 am, and we were finished by 1 pm. There were lots of questions regarding the safety council, and most folks were highly complimentary of our efforts in promoting safety during Halloween. Thanks to everyone who worked so hard to make this project successful. Thanks also to Fort Henry Mall for providing the booth space and tables.
