

KASC CONNECTS WITH THE JUNIOR LEAGUE OF KINGSPORT

On Thursday, April 10, 2008, Kyla McCoy of HVHMC presented a proposal to the KASC Board of Directors to support the 2008 JLK Women's Fair in Kingsport. This activity was held on Saturday, May 3rd at the V.O. Dobbins Community Center. As Chair of this year's event, Kyla requested support from the KASC in an effort to expand the fair's venue. Due to conflicting KASC events, we could not provide a booth, but the Board passed a proposal to provide a check in the amount of \$500.00 to purchase safety-related door prizes that would be given through out the event. Treasurer Randy Cassell presented Kyla with a check at our monthly Community Safety Awareness meeting on Tuesday, April 15. In her Letter of Appreciation for our support, Kyla sent the attached photos of several winners. Once again, safety was promoted in the daily lives of our citizens, helping to create a safer community.
