

On Thursday, October 23, 2008, several members of KASC met at the Eastman Employee Center to stuff 1,000 McGruff the Crime Dog reflective treat bags in just under two hours. As seen in these photos, we provided safety coloring books, crayons, handouts and candy for distribution at the Fort Henry Mall. Each bag also displays safety tips to ensure youngsters and adults know how to celebrate safely. Special thanks to everyone who worked so diligently to make this project successful, especially Mike Livingston, Teresa Fulwiler and Pearl Dotson for gathering the supplies.
