

KASC Board Meeting Minutes

8/14/08

Rush Street

In attendance: Julia Williams, Teresa Fulwiler, Tom Patton, Jack Alvis, Randy Cassell, Jean Rhea, Harold Gillenwater, Mike Livingston

Randy welcomed everyone and Jack offered the blessing.

Fire Safety Rodeo – very successful this year. Five teams participated. One item of conflict: eligibility to participate on 2 different teams. Gene addressed this well. We need to recruit more manpower next year, especially for help with clean-up.

Domtar is planning a Touch a Truck event we may partner with.

Webpage – we'd like input, articles, pictures, etc...Send them to Gene. Also, we need to think about if we're interested in sponsorships for the webpage.

Annual Banquet – scheduled for next month; Need volunteers, date and location (Brenda Lowder to do.)

Max M. will be leading the Aug. 19 Community meeting; topic is Networking.

Mike discussed storage trailer issues – leaking roof, stolen steps, access blocked, security problems. Teleoptics has an old trailer onsite that we can use for free. A motion was made by Harold G. that we accept this gift from Teleoptics; Teresa seconded motion and it passed. Gene will need to send Teleoptics a letter of appreciation.

If anyone has nominations for board members, send to Gene.
