

**KASC Community Safety Awareness Meeting**  
**February 17, 2009**  
**Piccadilly Cafeteria**

Gene Faxon called the meeting to order. Harold Gillenwater opened with prayer.

We had several new attendees at this meeting:

Brian Martin, Grainer  
David Roberts, Eastman  
Charles Wilson, Eastman  
Bill Hickam, Eastman  
Shaun Mullins, TIS Insurance  
Wendell Salyer, Powell Construction Company

**Safety Seminar** - Max Middleton gave an update on the Seminar Planning meeting. We are waiting confirmation from one speaker another, remainder of the speakers have confirmed. Keynote speaker will be the National President of ASSE. Plan on having brochure to press by first of March.

**Kids Safety Fair** - Mike Livingston stated it will be on May 6, 2009 at Toy F. Reid Eastman Employee Center with around 500 kids from area schools. Still need volunteers to help out – especially during lunch time.

**Fire Safety Rodeo** – KASC is purchasing a tent to be used at this event which is held in July during Fun Fest. Thanks to Harold Gillenwater for doing all the research and ordering this for KASC.

Whitney Carr introduced our speaker:

**Mike Davis, Vice President, Gilbert Advanced Asset Management, Inc.**

Gilbert Advanced Asset Management, Inc. specializes in retirement income management. They have offices in Johnson City, and Kingsport, TN and in Abingdon, VA.

Mike stated that it is possible for anything to happen in the stock market. Nothing is 100% safe. Currency is long-term storage of money. He outlined several aspects of today's economy. If you can leave money alone for approximately 10 years, you should do OK. Don't sell when down, take things off the table while things are good.

If you would like more information on wealth management, contact Mike Davis at 423-282-8840 or 1-800-677-4445.

Whitney Allen-Carr introduces our guest speaker. Mr. Davis presented facts on the current state of our economy

He also reviewed information on typical investment options, including the basics of Stock Markets operations

Mike also discussed how to learn from our past, such as the Great Depression
