

Board of Directors Meeting
January 14, 2010
@ Gilbert Advanced Asset Management, Inc.

Attendees: Jean Rhea, Randy Cassell, Tom Patton, Jack Alvis, Gail Plum, Melissa Hamilton, Susan Oliver, Shannon Salts, Gene Faxon, Debbie Morelock, and Dan Matherly.

President Jean Rhea called the meeting to order. Tom Patton opened with prayer.

Community Safety Awareness Meetings: The 2010 speaker list has been developed and distributed for support from council members.

Safe Community Award: Melissa Hamilton added more pictures to enhance the application and re-submitted the application for the fourth time. Hopefully, we will hear from the application committee next week.

Fund Raising/Application Committee: no report at this time.

The Seminar Committee will meet on Thursday, January 21 at Eastman's Toy F. Reid Employee Center to work on the 2010 Safety Seminar at Eastman.

The next monthly Community Safety Awareness Meeting will be held on Tuesday, January 19 at Piccadilly. Kingsport Police Department will provide an overview of the K-9 Unit and their responsibilities in our community.

The Quarterly Financial Statement was presented by Randy Cassell, Treasurer.

New Membership: The Board discussed ways to get new members involved in the council. Gene will draft something for the opening page and will swap some of the pictures that are presently on the site. A suggestion was made to create a list of possible members in the area. When the list is developed, it was suggested to visit each area. A template for business cards will also be developed. Another suggestion was made to partner with organizations that are already having safety-related events to enhance their success. Tom Patton will check with Kingsport Times News on their announcement policies/charges.

Minutes respectfully submitted by Debbie Morelock, Secretary.
