

Board of Directors Meeting
April 8, 2010
Gilbert Advanced Asset Management
Building #6 Sheridan Square

Jean Rhea called the meeting to order. Gene Faxon opened with prayer.

Present: Gene Faxon, Jean Rhea, Randall Chase, Dan Matherly.

OLD BUSINESS

Community Safety Awareness Meeting – Our next meeting will be April 20, 2010. The speaker is Chris Amella, Grainger and the topic is Ladder Safety. Thanks to Bryan Martin for obtaining this speaker.

We still have openings for August, September and November. Need to confirm speaker for May on Fun Fest.

Fire Safety Rodeo – The new ball cover is in and packets are ready to go out sometime in July. Will be at Holston Defense again this year.

Safety Seminar – The brochures have been mailed and right now we have 14 registered. Jean has been obtaining door prize donations in Johnson City with 16 pledged.

NEW BUSINESS

Car Control Clinic or Accident Avoidance Workshops – An email was sent to Jill Davenport and both providers that KASC will promote their workshops on our website, but as financially, we will be directing our efforts elsewhere. It was appreciated that we supported them in the past so they can now do it on their own.

Annual Picnic – Whitney Carr confirmed the date for our annual picnic for June 5, 2010 at Golfer's Edge. An email will be sent out after the Safety Seminar for RSVP.

With no other business to discuss, Jean Rhea adjourned the meeting at 12:45.
