

Board of Directors Meeting, June 10, 2010
Gilbert Advanced Asset Management, Inc.
Building #6 Sheridan Square

Jean Rhea called the meeting to order. Randy Cassell opened with prayer.

Present: Jean Rhea, Whitney Carr, Randy Cassell, Melissa Hamilton, Tom Patton, Marion Bailey, Mike Livingston, Joel Jones, Gene Faxon, Debbie Morelock, and Harold Gillenwater.

YMCA Proposal: Charles Glass attended this meeting to ask for help on purchasing life jackets for the YMCA's aquatic day camp programs. The aquatic program needs 25 life jackets and 117 necks bands. The life jackets are used for children that can't swim and the neck bands are used to identify different skill levels of swimmers while in the pool. Harold made a motion and Gene seconded with full agreement from the board to donate a check for \$650.00.

Fire Safety Rodeo: Scheduled for July 17, at Holston Army Ammunition Plant / BAE Systems, Inc. this year.

Community Safety Awareness Meeting: The June speaker is Melissa Hamilton. Speakers are still needed for July, August, September and November.

Safe Community Award – Melissa Hamilton reported the application has been submitted for the final review. Suggestion was made for the council to elevate the programs and see how well they are doing. The state of TN has agreed to help with this.

Shirts: Jean is taking orders for KASC shirt at a cost of \$20.00 each. Contact Jean Rhea if you would like to order a shirt. The council will initially pay for the shirts and the money will be collected from the members as the shirts are delivered.

Car Control Clinics: Will be discussed at next month meeting.

Halloween Treat Bag Giveaway: Mike will order the treat bags before the price increases.

A suggestion was made to clean out the storage trailer but no definite plans were made.

Minutes respectfully submitted by Debbie Morelock
