

KASC Community Safety Awareness Meeting

Tuesday, July 20, 2010 at Picadilly Restaurant in Kingsport

President Jean Rhea made opening comments and welcomed all visitors. Gene Faxon stated that the Fire Safety Rodeo was held on Saturday, July 17 at Holston Army Ammunition Plant/BAE Systems. Thanks to those who participated and assisted in making this event possible.

Captain Joel Jones, Training Officer with the Kingsport Fire Department, gave a presentation on Summer Safety (follow Summer Safety link to see this program). He also shared a lot of information from his experiences in dealing with heat-related injuries as well as other summer activities. There were several questions/comments from attendees, and Joel thanked Melissa Hamilton for helping to collect information for his presentation.

President Rhea presented Joel with an appreciation gift from the council, and an additional door prize was given. Jean thanked all for attending and adjourned the meeting.
